ELLIS Basics

Basics, the newest product in the ELLIS Academic suite, builds a solid foundation for pre-literate learners to help ensure beginning literacy and communication success. Its 18 lessons introduce essential concepts such as the alphabet, sound/symbol correspondence, and sight word recognition, while developing vocabulary and literacy skills. Coupled with ELLIS' Native Language Guides, Basics makes learning easy and fun.

ELLIS Intro

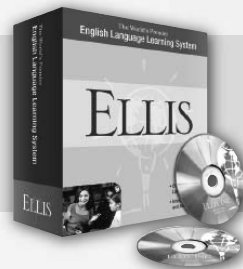

All-new, integrated tutorials in vocabulary, grammar, pronunciation and communication make Intro better than ever. With 35 lessons for beginners from middle school to adult, Intro teaches everyday English skills as students listen to, interact with, and learn from characters using natural English in real-life situations. Students will enjoy more native language support, animated instruction, and enhanced summary sections for each skill as well.

ELLIS Middle Mastery

Middle Mastery's 25 lessons allow learners to choose different outcomes for every video situation. Intermediate learners, from middle school through higher education, will enjoy various role-play scenarios, such as shopping and social situations, as they practice vocabulary, listening, grammar and pronunciation at their own pace.

ELLIS Senior Mastery

The vast, sophisticated Senior Mastery is accepted worldwide as the multimedia program of choice for advanced learners. It not only aids in TOEFL preparation, but also facilitates communicative fluency. With 47 lessons and hundreds of hours of instruction, Senior Mastery offers activities and tests in vocabulary, idiomatic expressions, grammar, listening comprehension and pronunciation.

ELLIS Academic 3.0 Suite Features

Enhanced Content

New Technology Enhancements

- **Complete curriculum now available on Mac OS!**
- Internet-capable Instructor Utilities

MASTER PRONUNCIATION

This exceptional component offers hours of engaging pronunciation practice. New animated tutorials on stress and intonation, optional native language support, hundreds of Minimal Pairs, and tongue twisters make students eager to practice speaking.

PLACEMENT

This state-of-the-art, adaptive computer testing program gauges each learner's skill level in vocabulary, grammar and listening, making it easy to determine students' language ability as well as their placement level within the ELLIS suite.

MANAGEMENT AND REPORTING SYSTEM

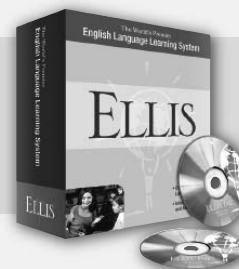

This extraordinary, Internet-capable (but locally controlled) tool tracks students' progress and monitors their activities from their first day with ELLIS through completion. With improved Instructor Utilities, the ELLIS Management and Reporting System offers more teacher control, new student and instructor reports, a greater ability to customize lessons, and the power to import records from other databases. This completely new product includes pre-translated Parent Letters, correlations, and certificates of completion to streamline teachers' work.
