

Minimum System Requirements for ELLIS Academic 3.0

January 27, 2004

Following are charts that give the minimum hardware and software requirements for clients, servers, and individual ELLIS programs in the ELLIS Academic 3.0 Suite.

Client system requirements

	Windows	Macintosh
Operating system	Windows 98 SE, Windows 2000, Windows XP	Mac OS 9.x only
Processor speed	200 MHz (500 MHz or better recommended)	G3 266 MHz
RAM	64 MB (128 MB recommended)	128 MB with 256 MB virtual memory
Network card	Full duplex 100 Mb	
Sound card	Full duplex	
Hard drive	See "Hard disk space requirements" chart on the next page.	
Third-party software	QuickTime 6, Flash Player 7, Adobe Reader 6, Internet Explorer 6 (to use Instructor Utilities)	QuickTime 6, Flash Player 7, Adobe Reader 6, Internet Explorer 5 (to use Instructor Utilities)

File server system requirements

Operating system	Windows NT 4.0 with Service Pack 6, Windows 2000*, Windows 2000 Server, Windows XP*, Windows 2003 Server, NetWare 5.1, NetWare 6.x, Linux Kernel 2.4.xx, Mac OS 9.x only
Processor speed	500 MHz
RAM	256 MB
Network card	Full duplex 100 Mb
Hard drive	See "Hard disk space requirements" chart on the next page.

* Windows XP and Windows 2000 allow a maximum of 10 users to be simultaneously connected. If you need to connect more users, use a server operating system.

License server requirements

Operating system	Windows NT 4.0 with Service Pack 6, Windows 2000, Windows 2000 Server, Windows XP, Windows 2003 Server
Processor speed	500 MHz
RAM	256 MB
Hard drive	50 MB

Instructor Utilities server requirements

Operating system	Windows 2000, Windows 2000 Server, Windows XP, Windows 2003 Server, NetWare 6.x, Mac OS 10.2.6+. Must be able to run Sun Java Runtime Environment (JRE) 1.4.1+
Processor speed	500 MHz
RAM	256 MB
Hard drive	20 MB+ (depending on number of student records)
Third-party software	Internet Explorer 5 (Mac), Internet Explorer 6 (Windows), Sun JRE 1.4.1+

Hard disk space requirements

	Hard disk space (media on CD)	Hard disk space (media on hard drive)	Additional hard disk space per NLG and NLH (approximate)
Basics	70 MB	320 MB	30 MB
Intro	60 MB	690 MB	30 MB
Middle Mastery	70 MB	380 MB	60 MB
Senior Mastery	70 MB	560 MB	n/a
Master Pronunciation	40 MB	160 MB	n/a
Placement	10 MB	50 MB	n/a
Instructor Utilities	20 MB	20 MB	n/a
Total	340 MB	2180 MB	120 MB
